

MetroHealth Pharmacy Value Program

Because we value what you value – Helping you save on prescriptions

You and your health are important to us. That's why we've launched our Pharmacy Value Program – a new program that helps you save on prescription and over-the-counter medicines.

This FREE program offers:

- Assistance finding the best price
- Free mail order home delivery—including same day in many cases
- Specialty Rx services
- Free flavoring upon request for pediatric patients
- Several assistance programs

Plus your prescriptions are integrated into MyChart, so you and your provider can always access them. **Easy refill requests can also be made through MyChart.** Your care is coordinated and communicated across our entire team.

In the coming months, value cards will be mailed to all patients. **You also don't have to be a patient to enroll – anyone can sign up.**

Use another pharmacy? Switching is easy! Simply have your prescription sent to our pharmacy – we'll take care of the rest. **And we take all types of insurance.**
